Dr. William Stokes, Director  
NICEATM (MD EC-17), NIEHS  
P. O. Box 12233  
Research Triangle Park , NC 27709

Dear Dr. Stokes:

I am very excited that the NIEHS is discussing the possibility of replacing animal tests completely with in-vitro cell culture tests. I do hope you decide in favor of the in-vitro cell culture tests and eliminate the horrible, inhumane practice of force feeding chemicals to innocent animals.

Your consideration would be much appreciated.

Sincerely,

Alana F. Turman
